

Are you a teenager with Nordic(Cross Country) Skiing experience looking for a FUN winter experience. Arrowhead Nordic Ski Club is recruiting some new staff members to train as an instructor. The first season would be working for volunteer hours in a training position and this could lead to a paid position the following year.

The Jack Rabbit program is an 8 week program for youth, operating out of Arrowhead Provincial Park. This is a well-loved winter program in our community and a very fun staff team.

If interested contact:

Ally Myers, Jack Rabbit Coach Coordinator
