Research Your Schools!

1. Do you offer what I want to study?
2. Do I qualify for the program? (required courses, high school marks, limited enrollment, supplementary applications)
3. Is there an additional application process e.g. Portfolio or audition.
4. Can I receive financial assistance? (scholarships, bursaries, loans, automatic awards)
5. Where am I going to stay? (guaranteed accommodation, applying for residence, meal plan, off-campus options)
6. What else is there to do? (clubs, associations, societies, intramural sports, varsity sports, on-campus facilities)
7. What is the place like? (size, surroundings, student experience)
