## Online Course Selection using PowerSchool

Students and parents complete online course selections using PowerSchool.

It is **strongly recommended** that students and parents/guardians use the HHS [Course Calendar](#) to help them make decisions about what courses they will pick for next school year. To help the on-line course selection process, consider using the [Course Selection Work Sheet](#). This sheet provides a list of all courses on offer for the 2019/2020 school year. These resources are available at [hhs.tlidsb.on.ca](https://hhs.tlidsb.on.ca).

After you have decided what courses you wish to select for next year, please follow the instructions listed below to complete your online selection of courses.
