

Summer Job Opportunity: Camp Kitchen Staff—Algonquin Provincial Park

Camp Northway, a small, sleep-away camp for girls in Algonquin Park is looking for Kitchen Staff

We are looking for fun, energetic, team-oriented staff to prepare snacks and meals for campers and staff. The Kitchen staff works together to prepare food, clean up, and interact with campers as needed. Cooking at Camp Northway is a unique experience--with no electricity, we cook on a wood-burning stove.

Our kitchen staff are very much a part of camp life. Just like our campers and counsellors, you'll live in a platform tent at camp.

You can see what we are all about on our website: www.campnorthway.com

Dates of employment are June 23—August 19; possibility of reunion weekend work for August 23—27. Pay based on experience and any certifications you may have.

Join us for an amazing summer of fun!
