

## **Employment Opportunity Summer 2019**

Sustainable Tree is a full-service tree care company committed to replacing every tree we remove with a new seedling.

We provide removal, pruning, planting and health care service to clients across Muskoka.

### **Job Description:**

The position will include assisting the Arborist in all manner of tree work.

The ideal candidate will have their chainsaw certificate, first aid and will also be physically fit as the work will be challenging at times.

The position is based out of Huntsville and will require the candidate to be available Monday through Friday for approximately 40 hrs per week.

Pay is \$16 per hour.

### **Application Process:**

Please submit your resume to [info@sustainabletree.ca](mailto:info@sustainabletree.ca) attention Aaron.

Clearly outline how you meet the requirements as well as a start and end date.
