

DEL SNYDER

This will serve as an introductory letter for our local snowmobile club, the DU YA WANNA SNOWMOBILE CLUB (DYWSC). We are currently canvassing local businesses for donations for our upcoming fundraising events for the 2019/2020 snowmobile season.

DYWSC is one of 231 community based, volunteer driven, snowmobile clubs across Ontario that provides a network of 30,000 kilometers of trails under the auspices of the Ontario Federation of Snowmobile Clubs (OFSC). The Federation, a not-for-profit organization, works to promote snowmobiling as one of Ontario's top recreational and tourism experiences.

Our club has operated for the past 46 years and is one of 11 local clubs that maintains a network of approximately 1600 kilometers of snowmobile trails across Muskoka. Within that area, DYWSC is responsible for trails in the Huntsville area. Our trails continue to attract snowmobilers from within and outside Ontario which add dollars to local businesses and the community economy.

We need your support. To help address the increasing costs of maintaining our trails, we will be hosting several fundraising events in 2020 - trailside barbeque on January 25, February 15,16, March 14,15 and a coinciding Poker Run on February 15. You can help by making a donation to assist us in our fundraising efforts. We will display your logo on our posters at the fundraising events. Your contributions (goods, services, monetary) are greatly appreciated.
