

## **Job Summary**

Muskoka Rock Company is looking to add motivated and energetic team members to our Huntsville Location.

Ideal candidate as a General Labourer would require their own transportation to and from the workplace as public transportation is not available.

Please note that the minimum age requirement at Muskoka Rock Company's, **Quarry** locations (due to Ministry Regulations under Surface Miner Program 770210) is **16 years old**. We do offer other positions within Muskoka Rock Company that allow employees under the age of 16 years old to gain employment in different locations or divisions.

## **Responsibilities and Duties**

Responsibilities:

- Work safely in accordance to company and legislative requirements
- Lock out machine when cleaning and performing maintenance.
- Wear and maintain PPE per Company policy.
- Attention to detail
- Reliable team player
- Willing to take on new challenges
- Adapt to change

Duties incl but not limited to:

- Clean heavy equipment or vehicles (inside/out)
- Assist in repair of machinery, tools and/or equipment
- Shoveling or raking of aggregate materials
- Degreasing of equipment
- Placing finished materials on pallets
- Wrapping pallets and preparing them for shipment
- Hand finishing stone as per specifications given

Muskoka Rock Company is the leading Muskoka granite company, operating quarries and manufacturing sites throughout the entire Muskoka Region, including Gravenhurst, Huntsville, Dwight and Milford Bay. At Muskoka Rock, we are enthusiastic about what we do and the people in our organization who contribute day in and day out.
