

Welcome to HHS ~
We're so glad you're here!

We understand the start of school can be anything from exciting to overwhelming, BUT HOYAS... we've GOT YOU!

Let's review a few important things together. Here we go!

Daily Screening

Everyone still has to **complete and pass** the [Ontario Covid 19 Daily Screening Tool](#) every morning before coming to school.

COVID-19 school and child care screening

Answer the following questions before going to school/child care today.

You can also take this on behalf of a student/child.

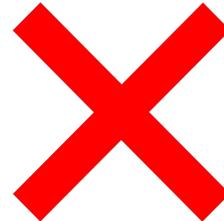

You must stay home if you have COVID-19 symptoms or are waiting for test results after experiencing symptoms. Everyone in your household must also stay home until you get a negative COVID-19 test result, or you are cleared by public health, or you are diagnosed with another illness.

Anyone who is sick or has any symptoms of illness, including those not listed in this screening tool, should stay home and seek assessment from their health care provider if needed.

This screening cannot diagnose you. If you have medical questions, consult a health care provider or your [local public health unit](#). Listen to the advice of your local public health unit first, as their advice overrules the advice in this screening.

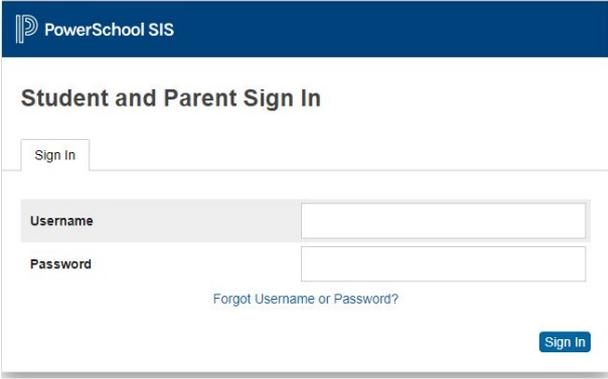

If your school board, child care provider, or public health unit has another screening process, you can use that instead.

Schedules

Student timetables are available for viewing anytime in **PowerSchool** on the **My Schedule** screen.

If needed, *login instructions* are posted on the homepage of the HHS website.

The screenshot shows the PowerSchool SIS login interface. At the top is the PowerSchool SIS logo. Below it is the heading "Student and Parent Sign In". There is a "Sign In" button in a small box. Below that are two input fields: "Username" and "Password". A link "Forgot Username or Password?" is located below the password field. A "Sign In" button is located at the bottom right of the form.

Let's Review:

You always have your current schedule at your fingertips by logging into **PowerSchool**, choosing **My Schedule**, and selecting **Week View!**

Daily Schedule

Period 1: 8:50am-10:05am

Break: 10:05am-10:15am

Period 2: 10:15am-11:30am

Lunch: 11:30am-12:30pm

Period 3: 12:30pm-1:45pm

Break: 1:45pm-1:55pm

Period 4: 1:55pm-3:10pm

There's a **10 minute warning bell** each morning.

Music is played in the morning and at lunch, **5 minutes before the last bell.**

When the **music stops**, you've got **1 minute** to get to class!

Tip: To save time – Take **everything** you need for **P1 and P2** in the morning. Take **everything** you need for **P3 and P4** after lunch.

I'm late, I'm late

The first step to being on time is knowing WHY you're late!

- Are you late to everything or just some things?
 - How do you feel when you're late?
 - What causes you to run behind?
 - Are you always late by the same amount of time or does it vary?
 - How do the other people in the room feel about you always arriving late?
-
- What are you missing from being late?
 - If you don't care, WHY don't you care??
(The people around you care.)
 - What can you do to change this pattern?

LATE

So, what happens when you're late?

Late(s) 1-3

Addressed by the classroom teacher, phone call home

After your 4th late

Admin referral by classroom teacher to VP

Progressive discipline in effect which includes, detentions, calls home, in-school suspensions, suspensions.

So, what happens when you skip class?

If you skip, your VP will meet with you and progressive discipline will begin. This includes detentions, calls home, in-school suspensions, suspensions.

Caring for HHS

Please do your part to keep our building, grounds and neighbourhood **clean and safe for all**. Vapes & cigarettes can **only be used** at the **far edge of the lower parking lot**. Vaping anywhere in the building is against the law and can result in a **\$305.00 fine**. Support for quitting is available!

Cell Phones

Cell phones are not permitted in Ontario schools during class time. You have a chromebook that will meet all of your tech needs for the classroom.

If you have your phone out in class, you may be sent to the office and will be expected to hand in your phone for the day.

Additional infractions will result in your parents/guardians being required to pick your phone up directly from your VP.

LOCKERS

You will be **assigned** a locker.

Your Period 1 teacher will record your locker combination. Remember, if your locker isn't locked, it's a closet! Please note that lockers are **HHS property**. Please don't store things that are not allowed at school in your locker.

LUNCH

What happens at lunch?

You're welcome to eat your lunch in the **Cafeteria**, the **Library**, or in **Classrooms!**

A reminder that our friends at Oliver's and the Canteen welcome HHS students at lunchtime and throughout the day, but **the rest of the Summit Centre is out of bounds during school days.**

(Please clean up after yourself wherever you are!)

***Please remember to move along - out of the hallways during lunchtime, thank you!**

ARR

Our **A**cademic **R**esource **R**oom (ARR) is in **Room 324**, on the third floor beside the stairs.

Whether it's **academics, attendance or health & wellbeing**, the **Academic Resource Room** can help put you in touch with the appropriate supports and resources.

- Need help on an assignment?
- Do you need to catch up in a class?
- Want help getting organized?
- In need of school supplies?
- Looking to access the **Clothes Closet**?

Come visit us in the Academic Resource Room!

Feel free to stop by during class time with your teacher's permission.

Chromebooks & Tech

- ❑ Bring your Chromebook every day! We aren't using a lot of paper.
- ❑ Ensure you **SHUT DOWN & CHARGE your Chromebook at night**
 - ❑ **Updates happen at night.** Get in the habit of shutting it down & plugging it in.
- ❑ You are responsible for your device - so BE responsible.
 - ❑ You are responsible for your Chromebook and the charger.
***If you lose it or break it, you will be expected to pay for it.**
 - ❑ Let your classroom teacher know if you've got a tech issue or if you are missing something.
- ❑ If your device is charged but **frozen** or won't turn on, **try these tricks:**
Hold down the refresh button and tap the power button OR
Plug it in, hold down the power button for ~10 seconds.
You can unplug it once it turns on.
