

Huntsville High School is thrilled to announce a new fundraiser to support extra curricular activities for our students.

Recipes In A Jar!

In addition to benefitting students at HHS, this fundraiser will also give back to the community as one meal will be donated to our local food bank for each jar or pouch purchased.

We are offering healthy snacks and meals: soups, cookies, muffins and more. These mason jars and pouches are great for your home and make wonderful holiday gifts.

\$12 Per Jar & \$10 Per Pouch
