

Finding your Path to Post-Secondary

Learning Goal: Think About...

- Where do you want to go after grade 12? What will you need to get there?
- Will you have met the Ontario Ministry of Education requirements?
 - 30 credits
 - 40 community involvement hours
 - OSSLT or OLC40
 - 2 Elearning courses or Opt Out form completed
- What resources exist to help you along your path?

College to University Transfer Programs

- ON Transfer is a website dedicated to researching the many transfer programs in Ontario. [ON Transfer](#)
- Transfer Programs are increasingly popular! You typically graduate with 2 credentials: a diploma in a technical skill(College), and a Degree in a complementary area of study(University). For example a Diploma in Computer Programming to a Bachelor of Computer Science
- Generally transfer program take 4-5 years
- There are many collaborative programs to which you can directly apply: [Collaborative College to University Programs](#)

Reach out if you need help!

If you need to change your course requests after researching pathways book a guidance appointment.

In the Fall of 2024, we will deliver workshops to Grade 12's students to help guide your next steps.

A follow-up presentation will be emailed this week with more activities.
